### New Family Referral Program

So many exciting things are happening at St. William School! So much to share! With that, we want to thank you, in advance, for spreading the word and inviting new families to join our wonderful SWS community. GO SAINTS! Current St. William School families who refer a new family will receive a **referral reward of \$500** to be credited toward their FACTS account.

- The new family **must list** the referring family on their initial application
- Referral rewards can be earned for referring multiple families, but the total reward is limited to your family's annual tuition amount.
- Credit will be applied to the referring family in February 2024 if the new family is in good financial standing with the school and has met all financial obligations and attendance requirements.
